

It is sad to say, but due to the loss of many officers and directors as well as dwindling active participation of members, we are closing the Oklahoma Bluegrass Club. We will miss each and every one of you.

Remember the Greater Oklahoma Bluegrass Society (GOBMS) is still operating. I encourage you to participate and help them remain vibrant so Bluegrass remains alive in Oklahoma. Many have already said they are and/or will be doing so.

OBC remaining Board members are researching moving our membership rolls to GOBMS if they will accept. This is so you don't lose what you have paid in subscription, but will get an GOBMS newsletter instead. If you don't want your membership moved, please let me know. If I don't hear from you by 7/07/2017, I will assume that you are willing to accept an emailed bluegrass newsletter from GOBMS and I will provide them with your email information so you may receive their newsletter.

Thank you for your help through the years! Bluegrassers are among the best people you will ever meet!
